About our office & staff:

In8Life is a well-established, high-volume, family practice that has been serving patients from newborn to 99+ years old for the past 28 years. As a subluxation-based office, we focus on principled corrective chiropractic care, teaching that our nervous system is 10% pain and 90% function to organs, glands, and all tissue. We utilize corrective care procedures, decompression therapy, neuropathy treatment, and nutrition/gut health programs. Our foundation is chiropractic and correcting subluxations, lifestyle changes and protocols are added as secondary. Our small office team works well together and are like family. We all believe 100% in the principles of chiropractic, live it, and communicate it with passion in our office. We are located in Murrysville, Pennsylvania, 30 minutes east of Pittsburgh.

Dr. Tressler has been changing lives for over 28 years. He is the President of the Chiropractic Fellowship of Pennsylvania, CFoP 2021 Chiropractor of the Year, author of 5 health books, International Chiropractic Association member, Creator of IN8LIFE weight loss system, and host of the Restoring Innate Health podcast. Dr. Tressler lives out the health principles we teach to our patients. He actively plays rugby and was the MVP and highest scorer for his team in the 2021 Huntsman World Senior Games, the largest annual multi-sport senior competition in the world. Living on a farm, east of Pittsburgh, with his wife, Gabrielle, Dr. Tressler enjoys an active and adventurous lifestyle raising over 100 animals including organic cows, sheep and chickens. and playing backyard sports with his 5 children and 3 grandchildren.
